

## THE SCHOOL OF PERFORMING ARTS

### Welcome to The School of Performing Arts!

We ask that all students and parents read and agree to the following.

#### School Rules and Policies

We're glad you have chosen The School of Performing Arts as your school! Success depends on regular attendance at all classes. Please arrive on time and prepared. If you must miss a class, please contact the office.

Class assignments will be determined at the time of registration. Students will be evaluated during the first few weeks of classes to ensure proper placement. Minimum enrollment may be required for some classes.

#### **Dance students:**

Students must be registered in each quarter to participate in classes. If a student is not registered they will not be admitted into the class, even if they have attended the previous quarter. Returning students have priority in registration which begins at least 3 weeks prior to the beginning of the next quarter.

Students are entitled to make up missed classes during the current session at equivalent level or below.

Dance students should attend all classes dressed in appropriate attire for each class, as indicated in our printed material, on the website, or requested by the teacher.

#### **Theatre students:**

Theatre students should bring their script, music and pencil to each class. Due to the nature of some theatre classes they may be asked to supply some sort of prop, costume piece, and so on.

#### **Spectrum students:**

Students in Spectrum special needs program must complete an intake form and registration form.

#### **Music students:**

Music students register for 18 week sessions. Private music tuition may be paid in full at registration or in two equal payments at the beginning of each 9 week period. There is a late fee of \$25 if the second payment is not made before the beginning of the 9 week period.

Private music lessons cancelled less than 24 hours ahead of time will not be made up. Other make up lessons will be at the discretion of the instructor. Contact the instructor for information regarding make-up lessons.

Music students should bring their music, instrument and pencil, to each lesson. Music students are expected to practice their lesson material outside of class. Music teachers reserve the right to terminate lessons if there is a consistent lack of preparation.

#### **Visual Arts students:**

All materials will be provided.

#### **Fees:**
